

MIKE PASARELLA

MIKE PASARELLA is a Dutch Fashion Photographer, Filmmaker, and Artist with Italian roots.

In his work as a photographer, he captures the pure essence of my subjects in a raw and truthful way, merging film and photography with experimental composition and techniques.

His mission is to inspire people and contribute to positive change in the world through his independent artistic projects and commissioned work. Mike always infuses his personal style, emotion, and artistry into every assignment, creating works that both reflect his inimitable outlook and the voices of his clients.
